SPRING 1949

HIGHLY COMMENDED GLADIOLUS

DEAR FRIENDS:

We are continuing our condensed catalog. Additional information about any variety will be given gladly to anyone asking for it.

The numbers in the "class" column are the classifications of the N.A.G.C.C. system where the hundreds figures designate size of florets (1 being under $2\frac{1}{2}$ inches; 2, between $2\frac{1}{2}$ and $3\frac{1}{4}$ inches; 3, $3\frac{1}{4}$ to $4\frac{3}{8}$ inches; 4, $4\frac{1}{2}$ to $5\frac{3}{8}$ inches; and 5, over $5\frac{3}{8}$ inches) and the other two figures indicate the colors. Where the classifications differ from the committee's 1948 list, we believe the variety was not correctly classified.

Prices given are for one bulb, 5 bulbs will be supplied at 4 times, and 25 bulbs at 17 times the unit price. 10 bulblets for the price of a large bulb and 100 at 7 times. Postage paid on prepaid orders over \$2.00. 5% discount on orders of \$5.00 to \$10.00; 10% discount on orders over \$10.00. No labeled single item less than 15 cents except in collections. Bulblet orders not accepted after April 15th.

OUR ORIGINATIONS

5 bulbs at 4 times and 25 bulbs at 17 times the unit price.

10 bulblets for the price of a large bulb and 100 for 7 times this price.

No labeled single item less than 15c.

SMALL FLOWERED VARIETIES

Here are listed the varieties which were admired so much in our exhibit at the 1947 Binghamton, N.Y., Show as well as several other fine varieties.
